ARIEL PARTNERS AWARDED PRIME CONTRACT TO PROVIDE INFORMATION TECHNOLOGY MODERNIZATION FOR U.S. DEPARTMENT OF LABOR WAGE AND HOUR DIVISION (WHD)

April. 1, 2021 -- Ariel Partners, an IT consulting firm offering software Development, Consulting, Coaching and Training, is pleased to announce our award Defense Intelligence Agency (DIA) Solution for Information Technology Enterprise III (SITE III). As part of two successful teams, Octo Consulting (Full/Open) and IMTAS (SB Set-Aside), Ariel Partners will have access to DIA SITE III IDIQ vehicle and supporting the Agency effort to enable modernization of DIA's infrastructure, systems, and applications to support warfighters, policymakers, and acquisition leaders across the Defense Intelligence Enterprise.

The 10-year, $12.6 Billion SITE III IDIQ provides a centralized and synchronized IT acquisition capability to meet worldwide security requirements and technical support services through system design, development, fielding, and sustainment of global intelligence and Command and Control assets. SITE III facilitates worldwide coverage for integrated IT intelligence requirements and technical support services to the DIA and National Geospatial-Intelligence Agency (NGA). SITE III also supports business process reengineering and development, performance measures and metrics, feasibility studies, IT systems architecture development and planning, research, design, engineering and development of systems, and fielding and installation of systems with capabilities developed during the design and engineering phase.

Ariel's expertise in IT modernization is a great fit for DIA's requirements. Mr. Strong said: "Ariel's deep experience in IT modernization positions us as an ideal partner for the DIA. We know what good and bad modernization looks like. Beyond just recording daily work, Ariel's abilities demonstrate how to properly modernization IT."
