## Ariel Partners and Kanbanize Partner Offer Kanban Solutions to Scale Businesses for Enhanced Strategy and Team Visibility

7 June 2022 New York, NY. – Ariel Partners, a leading IT firm offering Agile and Enterprise Coaching, Training, and Consulting, announced that they have partnered with Kanbanize, a leading tool for managing projects and knowledge work, to help solve our customer’s most critical business challenges together. As a Certified Bronze Partner, Ariel offers extended free trial versions, attractive discounts, and premium support to new and existing Kanbanize customers.

*“A client of ours faced an extremely complex coordination challenge, involving multiple software, design, lesson production, videography, and printing teams. They needed accurate forecasts to plan in advance if they were going to meet key milestones, and Kanbanize delivered. We are impressed by the capabilities of the Kanbanize tool, and we are confident in its ability to address our largest and most complex customer challenges.” – Craig Strong, CTO of Ariel Partners*

Kanbanize is a company focused on creating foundations that bring true agility and agile tools to business teams competitively and innovatively centered around the visibility and communication of people within an organization. Their clients include organizations in Aerospace, Pharma, R&D Engineering, telecommunications, and IT. They offer industry-focused expertise and guidance to provide tailored business solutions that address challenges for scale, strategy, coordination, and delivery.

*“With Kanbanize, Schlenk created a smoother flow of information, reduced the waiting times between process steps, and put perspective on how workflows beyond personal and team levels.” – Adalbert Huber, VP Rn D Schlenk*

*“We supported transferring over 6,000 users and several hundred boards from another Kanban-tool provider (one which is amongst the market leaders) to Kanbanize. Kanbanize offers customer service that we haven’t experienced anywhere else, they exceeded our naturally high expectations by far.” – Andrea Haase, Continuous Improvement Leader*
